

Poster Session Rules

- The *maximum poster dimensions* are: 36 by 42 inches. Larger posters will not be allowed!
- Use formatting appropriate to your discipline. For example, the following sections would be appropriate for a poster from The School of Pharmacy: introduction, methods, results and conclusion.
- There is only one entry by each presenter.
- Department, center or institute logo should be placed in the upper right hand corner. If you have other collaborator logos (such as UMMC logo) that need to be displayed on your poster, place them in the lower corners of the poster.
- As a reminder, this event is public. If you have anything new in your posters and are considering possible patent protection or filing a Research Disclosure with the Office of Research, please contact the Division of Technology Management as soon as possible.
- You must arrive no later than 20 minutes prior to the start of poster session for check in and setting up your poster .
- Push Pins would be provided for set up
- You are expected to stay for the entire duration of the poster session.
- If you plan on submitting an application to receive a research grant this year, submit an abstract to this event as well.
